

## Wool Department

- Only complete fleeces in the grease are eligible for competition
- Fleeces shall not be more than 12 months growth. The definition of "12 months" shall be the definition commonly accepted by the wool trade. Thus, if a fleece is actually slightly more than 12 months by wether, it shall be termed 12 months' wool.
- No wether fleeces may be included.
- All fleeces entered must have been sheared from sheep owned by exhibitor.
- The judge has the power to classify fleeces before making awards.
- All fleeces shall be tied with paper fleece twine, flesh side out, in a manner to allow their being handled without falling apart, and shall be wrapped in clear plastic
